In the foreground, a young child with dark hair lies in a hospital bed, wearing a light blue hospital gown and a green blood pressure cuff on their left arm. A medical professional, seen from the back, is leaning over the child, using a red stethoscope to listen to their chest. Another medical professional is partially visible in the background on the right. The overall tone is professional and caring.

DR. ADIB RIZVI

Welcome to our Annual Report, a showcase of our achievements, progress, and commitment to excellence throughout the year.

ABOUT SIUT

For the past 50 years, SIUT has been providing high-quality healthcare, without discrimination, free of cost, with respect and dignity. Now with over 1200 beds, SIUT houses world-class facilities, including a regional leading robotic surgery center, pioneering pediatric cardiology, and a dedicated children's and cancer hospital under construction. This complete complex healthcare facility offers a wide array of free services from kidney, liver and corneal transplants to oncology and GI diseases. SIUT upholds a commitment to excellence without compromising on quality.

ABOUT SIUTNA

Established in 2000, SIUT North America (SIUTNA) is a US based tax exempt, non-profit organization dedicated to humanitarian and health causes with a major focus on funding SIUT Pakistan. SIUTNA is a charitable organization under Section 501c(3), EIN No: 76-0656947. All donations are tax deductible in US, and tax returns are posted on the website, www.siutna.org.

Pioneering Progress

FORGING A LEGACY OF EXCELLENCE

Dear Esteemed Donors and Supporters,

On behalf of SIUTNA, I am writing to express our deepest gratitude for your invaluable support throughout the year 2023. Your commitment to our cause has been instrumental in making a significant impact on the lives of those in need.

Thanks to your generosity, we have been able to raise approximately \$6 million in 2023 which enabled us to provide grants to SIUT Pakistan. Your contributions have enabled us to uphold our mission of making quality healthcare accessible to everyone, regardless of their financial status.

I am thrilled to share the incredible news that, thanks to your collective support, our recent “Journey of Resilience & Hope” Gala 2023 was a tremendous success. Together, we raised an astounding one million dollars, a milestone that will enhance our ability to expand our services and reach even more individuals in need. Your belief in our mission has fueled this achievement, and we are profoundly grateful for your role in making this possible.

As we reflect on the successes of the past year, we are filled with gratitude for donors like you who share our commitment to creating positive change. Together, we are making a lasting impact.

Once again, thank you for being an integral part of the SIUTNA family and for your commitment to building a brighter and healthier future for the people of Pakistan. As we step into the new year, let us carry forward the spirit of compassion, resilience, and hope that defines us. We look forward to continuing this impactful journey with you in the years to come.

Leading with Vision, **INSPIRING SUCCESS**

Dear SIUTNA Friends and Supporters,

As we reflect on the past year, it is with profound gratitude and a sense of accomplishment that we present to you our Annual Report for 2024. It has been a year filled with challenges, triumphs, and most importantly, the unwavering commitment to our mission.

One of the highlights of this past year has been raising \$1 million at the 2023 Gala in Houston, Texas. The undying support of the Houston community has been so fulfilling to witness first hand. Through all of our campaigns in 2023, we have been able to raise approximately \$6 million. This achievement would not have been possible without the collective effort and collaboration of our staff, volunteers, donors, and community partners. Additionally, we are proud to report on the impact of our ongoing programs and initiatives. From providing grants to purchase the Versius Robotic Surgical System to funding the Children's Hospital where the first ever pediatric open heart surgery was performed, our organization has made a tangible difference in the lives of individuals regardless of caste or age.

The stories of transformation and empowerment we have witnessed serve as a testament to the effectiveness of our work. This would not be feasible without the generous support of individuals like you. Whether through zakat or advocacy, your support has been instrumental in creating a center of excellence. Your belief in our mission fuels our determination to continue making a positive impact in our community and beyond. Looking ahead, we remain committed to our mission and the individuals we serve. As we navigate the challenges and opportunities that lie ahead, we do so with optimism, knowing that together, we can create a brighter future for all.

Once again, thank you for your continued support and partnership. Together, we are making a difference.

SIUTNA GALA 2023

A JOURNEY OF RESILIENCE & HOPE

On Nov. 4, 2023, SIUTNA's second annual Gala Fundraiser was a resounding success! With over 500 supporters in attendance, including community leaders, doctors, businessmen, professionals, followers of Dr. Adibul Hasan Rizvi, and renowned Pakistani TV personality Mr. Anwar Maqsood as the Special Guest and talented actress Sajal Aly, the evening was filled with resilience and hope. Dr. Suleman Lalani, Texas state representative, honored us with his presence, presenting proclamations to our team. The gala exceeded expectations, raising \$1 million in just thirty minutes, thanks to generous contributions like S. Javaid Anwar's half-million-dollar donation and a \$100,000 gift from an anonymous donor. A silent auction featuring artworks by renowned South Asian artists also proved hugely successful, further supporting SIUTNA's impactful initiatives. With over 25 million patients treated to date, SIUTNA continues to advance healthcare with cutting-edge technologies like free robotic surgery treatments, all made possible by the support of our compassionate donors.

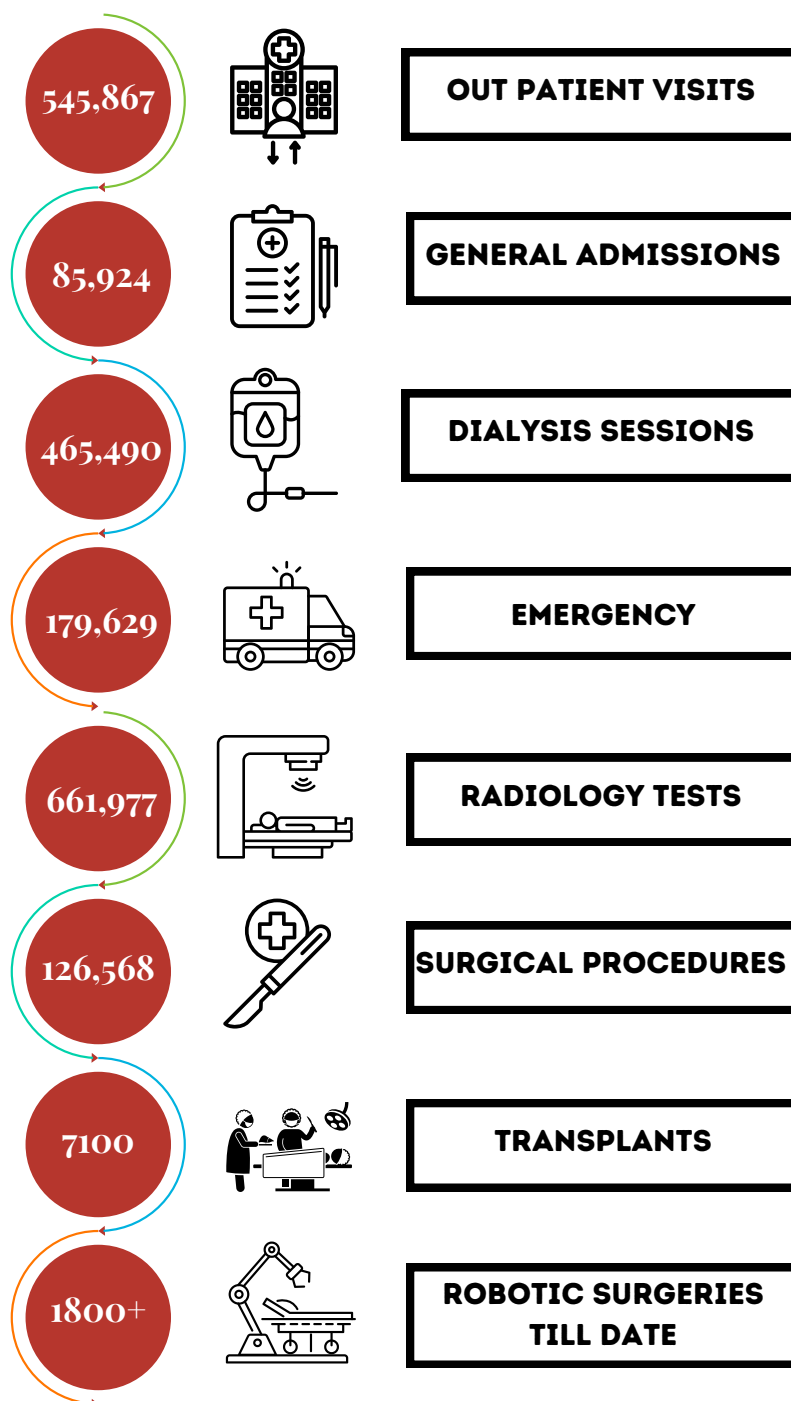

The SIUT North America Journey of Resilience and Hope Gala was a testament to the power of collective compassion and the profound impact we can achieve when we unite for a common cause. Your presence, enthusiasm, and generous contributions played a pivotal role in making this event a resounding success and would like to thank you from the bottom of our hearts for your warm hearted participation and unparalleled generosity.

OUR VERY BRAVE

Zainab

AFTER HER SUCCESSFUL OPEN-HEART SURGERY

SIUT successfully performed its first open-heart surgery on a 5-year-old girl named Zainab who had a heart condition causing frequent chest infections. A dedicated team of doctors and nurses ensured the surgery's success, leading to Zainab's remarkable recovery and discharge from the hospital.

"Being part of the working class, discovering my daughter's kidney disease brought immense sorrow. Lacking financial means, we initially sought treatment at a private hospital when she developed a fever at age 8. The doctors there advised SIUT, where she received medication initially, but due to insufficient improvement, dialysis was recommended." - **Fatima's Father**

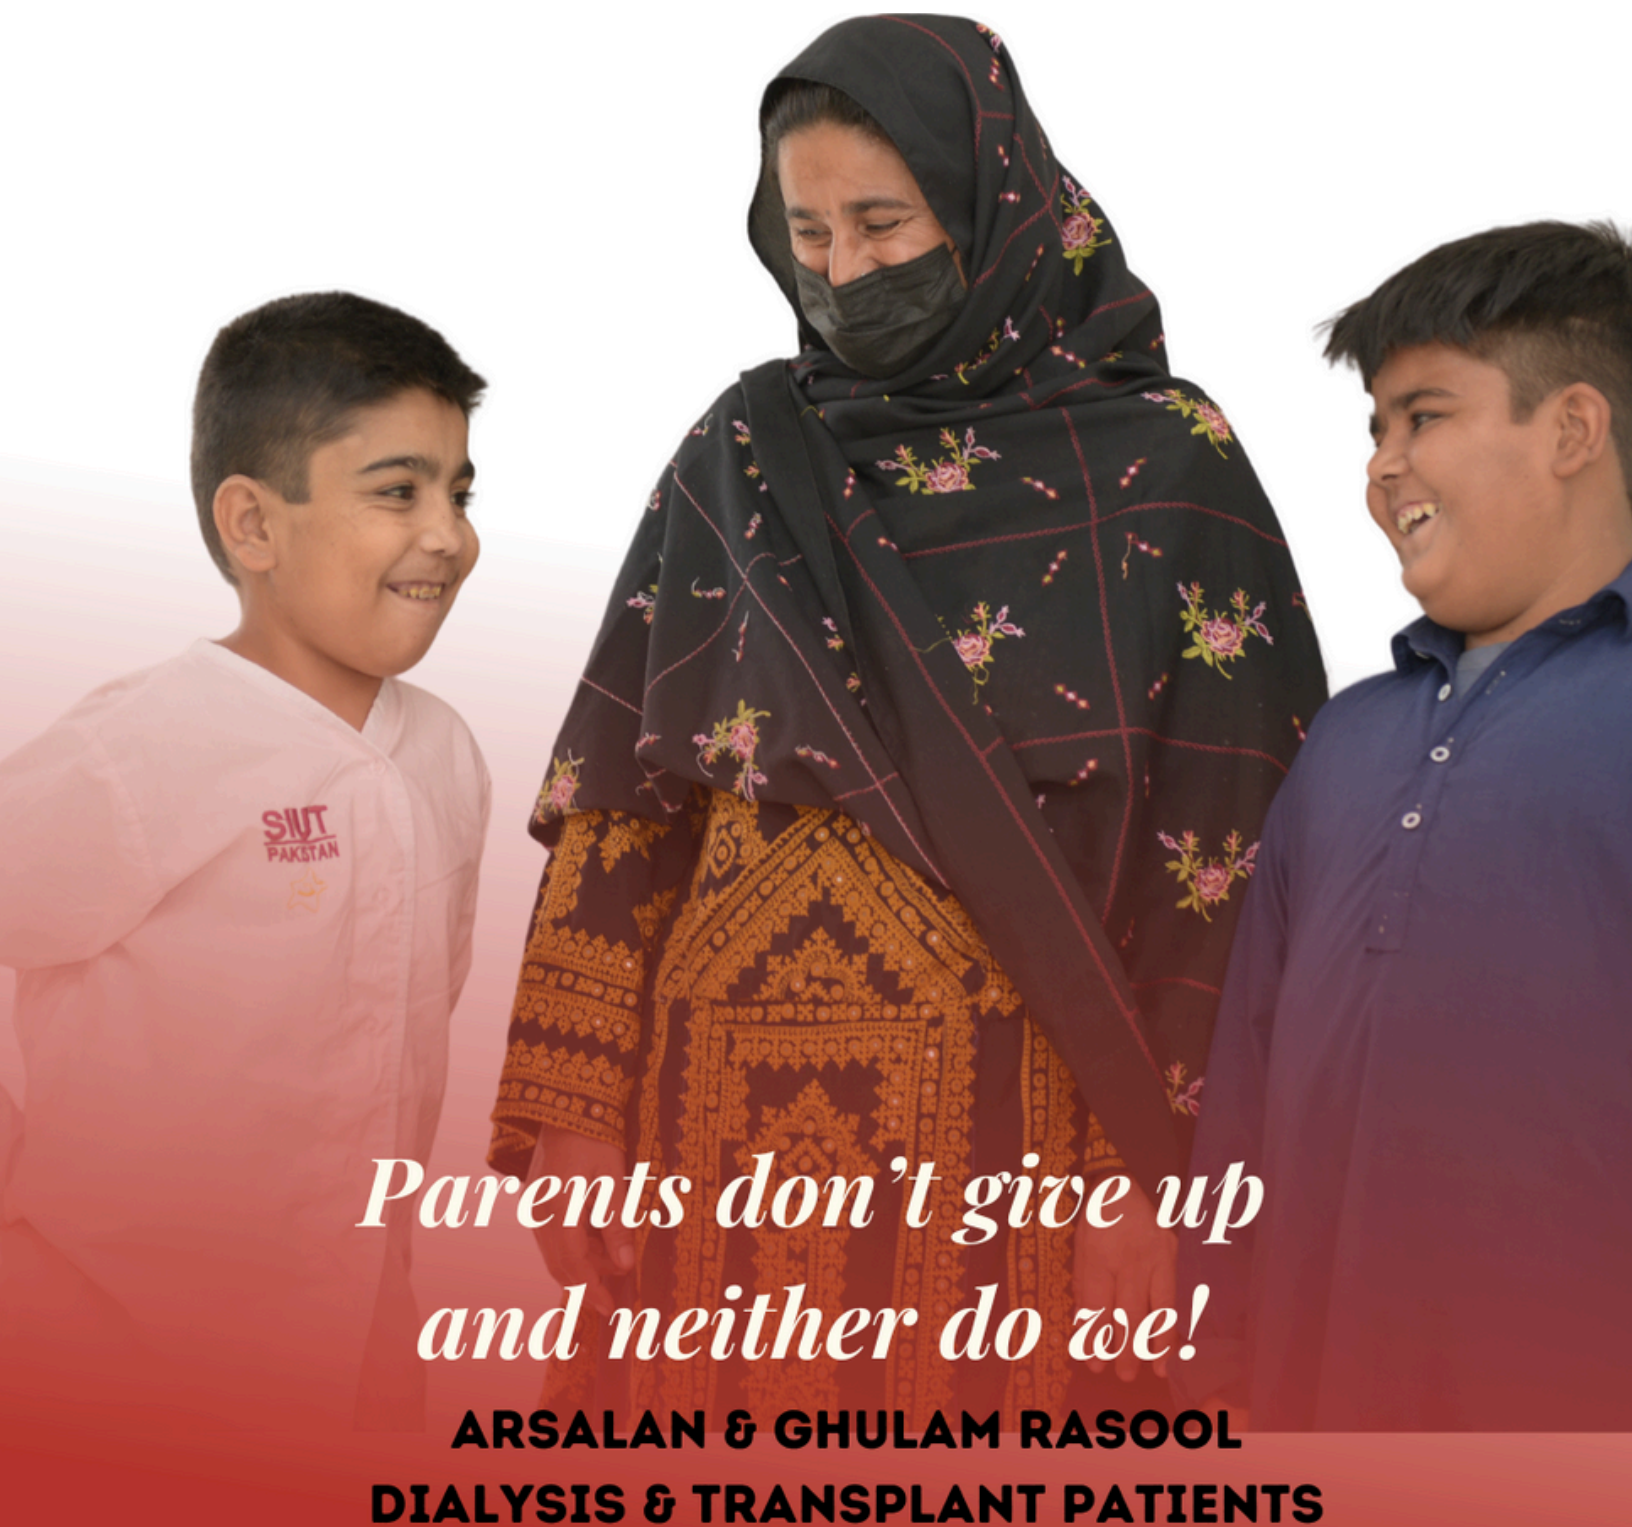

*"I aspire to live a regular life,
just like any other child."*

Fatima - Dialysis Patient

In the face of adversity, Arsalan and Ghulam Rasool's mother found herself torn when both sons needed kidney transplants. Her and her husband's willingness to sacrifice for their children was undeniable, yet fate had a different plan. The husband's kidneys weren't a match, leaving the mother with an agonizing choice.

In a poignant moment, Ghulam Rasool, the elder brother, selflessly urged his mother to save Arsalan. The transplant at SIUT brought hope, and today, Arsalan and his mother thrive. Ghulam Rasool, though still on dialysis, remains resilient, holding onto hope that a donor will come his way soon. - **Arsalan & Ghulam**

Rasool's Mother

*Parents don't give up
and neither do we!*

**ARSALAN & GHULAM RASOOL
DIALYSIS & TRANSPLANT PATIENTS**

“My son unexpectedly ended up on dialysis due to a doctor's negligence at a private hospital. After a desperate search for treatment, we found hope at SIUT Hospital in Karachi. The doctors there revealed he never needed dialysis initially, and their efforts saved him, allowing him to walk again. The care they provide feels like family support day and night.”

Ailyaan's Mother

“SIUT treats us with the same care and compassion as if we were their own family.”
