NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

SIUT North America, Inc. is a Non-profit 501 (c) (3) corporation formed on September 25, 2000 in the State of Texas. The corporation was established to help humanitarian causes. All officers and others associated with the Organization perform various duties entirely on a voluntary basis and do not receive any kind of remuneration or fringe benefits. SIUT firmly believes in the philosophy that no one should die only because the person cannot afford to live. This philosophy is the cornerstone of all services that are extended by SIUT Pakistan making it a unique medical institution in Pakistan where people receive comprehensive medical cover in the field of specialized treatment without incurring any economic burden whatsoever.

Basis of Presentation

The financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles;

New Accounting Pronouncement- On August 18, 2016, FASB issued ASU 2016-14, Not for Profit Entities (Topic 958) – Presentation of Financial Statements of Not-For-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. SIUT North America, Inc. has adjusted the presentation of these statements accordingly. ASU 2016-14 has been applied retrospectively to all periods presented.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of the expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTES TO FINANCIAL STATEMENTS

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets without Donor Restrictions- Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

Net Assets with Donor Restrictions- Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled or both.

At December 31, 2019 the Net Assets of SIUT North America, Inc. are without donor restrictions and undesignated by the Board of Directors. The Board's main emphasis is the grants of money and/ or medical equipment to SIUT Pakistan, the Sindh Institute of Urology & Transplantation (SIUT), Dow Medical College & Civil Hospital in Karachi, Pakistan.

Revenue and Revenue Recognition

Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively. Contributions are recognized when cash, securities, or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.
