**INDEPENDENT AUDITOR'S REPORT**

TO THE BOARD OF DIRECTORS  
SIUT NORTH AMERICA INC  
HOUSTON, TEXAS

**Opinion**

We have audited the accompanying financial statements of SIUT NORTH AMERICA INC. (a Texas Non-Profit Corporation), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of SIUT NORTH AMERICA INC. as of December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SIUT NORTH AMERICA INC. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SIUT NORTH AMERICA INC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SIUT NORTH AMERICA INC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SIUT NORTH AMERICA INC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021**

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Organization**

SIUT North America, Inc. is a Non-profit 501 (c) (3) corporation formed on September 25, 2000 in the State of Texas. The corporation was established to help humanitarian causes. All officers and others associated with the Organization perform various duties entirely on a volunteer basis and do not receive any kind of remuneration or fringe benefits. SIUT firmly believes in the philosophy that no one should die only because the person cannot afford to live. This philosophy is the cornerstone of all services that are extended by SIUT Pakistan making it a unique medical institution in Pakistan where people receive comprehensive medical cover in the field of specialized treatment without incurring any economic burden.

**Basis of Presentation**

The financial statements are presented in accordance with financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August of 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for-Profit Organizations" (the Guide). ASC 958-205 was effective January 1, 2018. Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions.

**Net Assets**

Net assets, revenues, gains, and losses are classified based on the existence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets without Donor Restrictions-* Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

*Net Assets with Donor Restrictions-* Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled or both.

At December 31, 2021 the Net Assets of SIUT North America, Inc. are without donor restrictions and undesignated by the Board of Directors. The Board's main emphasis is the grants of money and/ or medical equipment to SIUT Pakistan, the Sindh Institute of Urology & Transplantation (SIUT), Dow Medical College & Civil Hospital in Karachi, Pakistan.

**SIUT NORTH AMERICA, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021**

**Functional Allocation of Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among programs and supporting services benefited. Salaries and related taxes are allocated based on time and effort while the other expenses that are allocated are done so based on specific identification of invoices relating to either programs or supporting services.

**Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles;

Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively. Contributions are recognized when cash, securities, or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

**Cash and Cash Equivalents**

We consider all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to building projects, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition.

**Federal and State Income Taxes**

The Organization is exempt from taxation under Internal Revenue Code Section 501(c)(3) as the Organization is a tax-exempt corporation. The Organization is current on all of its tax filings. The state of Texas does not impose an income tax.

**NOTE 2: USE OF ESTIMATES**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences are immaterial.

**NOTE 8: FAIR VALUE MEASUREMENT**

The Organization has determined the fair value of current assets and liabilities through application of FASB ASC 820-10, Fair Value Measurements (“Fair Value Measurements”). Fair Value Measurements establish a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under Fair Value Measurements are described below:

Level 1– Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 – Quoted prices in markets that are not active or financial instruments for which All significant inputs are observable, either directly or indirectly; and

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Short-term financial instruments, including cash, accounts receivable, accounts payable and other liabilities, consist primarily of instruments without extended maturities, the fair value of which, based on management’s estimates, approximated their carrying values.

All assets and liabilities are Level 1 Inputs.
